VOL. LXXXVI NO. 35 15 CENTS PER COPY

ICEBOAT and SNOWMOBILE COLLIDE

Two men were injured Sunday in the collision of a snowmobile and an iceboat on Channel Lake.

John Malone 25, of 5917 Thorndale Ave, Chicago is listed in satisfactory condition at Victory Memorial Hospital as a result of injuries received in the collision.

Otto Jungman 60, of Rte 3 Box 100 Lotus Road in Antioch was also admitted to Victory Memorial and is reported in fair condition.

The accident occurred at 2:58 p.m.

The Antioch Rescue Squad was called by witnesses following the accident. Malone, who was thrown several feet from his snowmobile, was rushed to the Antioch Clinic. Rescue Squad volunteers, however, had to work nearly half an hour to free Jungman, who was pinned in the wreckage of his aircraft-powered iceboat.

After Jungman was treated at the Antioch Clinic, both men were sped to the Waukegan hospital.

Crash Claims One

One man was killed and four passengers in his car were injured in a Thursday night accident south of Rte. 132 on Rte. 83 in Lake Villa.

Robert C. Breest 24, of Lindenhurst was killed when the car he was driving struck two utility poles at high speed before ramming a tree broadside.

The passengers: Donald L. Larson 18, and his brother Bethel 16, James B. Aronson 16, and Dennis R. Hartmann 17, all of Antioch were injured and taken to St. Therese Hospital for treatment.

Bethel Larson was released shortly after treatment. The others are now reported in good condition, although Hartmann and the elder Larson were previously in the intensive care unit.

Robert Camara, a witness to the accident told police that he was traveling along Rte. 83 when he noticed a car approaching in his rearview mirror. When a spotlight beam

struck his car he thought he was being stopped by police and pulled to the shoulder. However, as he rolled to a stop he saw the Breest car speed past him "going 80 to 85 miles an hour." After the car past him it swerved back into the right lane where the driver lost control.

Evidently, the right rear section of the car struck the first pole sending it headlong into the second. The collision with the second pole sent the car broadside into a large tree. The car struck the tree alongside the driver's door and the force of the impact broke away the front portion of the car, up to the firewall.

One of the investigating officers noted that the car "had to be going 75 (m.p.h.)" to cause such extensive damage.

According to police reports James B. Aronson, one of the passengers, confirmed suspicions that there had been drinking in the auto, although he felt the driver was not intoxicated.

Annapolis Picks Gary Rush To Enter Academy in July 1972

It was announced today by Congressman Robert McClory (R-Ill) that Gary R. Rush, son of Mr. and Mrs. Joseph T. Rush, 141 Cheri Lane, Antioch, had been chosen for appointment by the United States Naval Academy. Gary's father is editor and publisher of The Antioch News.

Young Rush is a student at Antioch Community High School, where he will graduate in June. In addition to maintaining a high academic standing, Gary has been active in athletics and music. He has served on the class executive board, been a member of the wrestling, golf, and cross-country teams; played in the concert and stage bands, and since his junior year, worked after school. In addition, he has

served as president of the youth group of his church, as well as a district officer of the group.

In making the announcement of Gary's selection, Representative McClory said: "I congratulate Gary Rush on his Naval Academy appointment. This highly motivated and versatile young man evidences the qualities of character and personality that can develop in a healthy American home - with strong influences from church, school and community."

Midshipman-elect Rush is the second of Mr. McClory's Naval Academy nominees to be chosen for appointment this year. Additional selections are expected to be named within a few weeks.

Representative Robert McClory congratulates Gary Rush of Antioch on his appointment to the Naval Academy. McClory is touring area schools during the Congressional recess. (Staff Photo)

BUILDING REFERENDUM FOR GRASS LAKE SCHOOL

At the regular board meeting on February 8, 1972, the board of education adopted a resolution to have the building referendum on Saturday, March 4, 1972 in the amount of \$295,000. Officers of the Citizens Committee presented a list of questions to the board for their consideration. Thorough discussion on these points resolved many of the questions presented to the board and the architect at the meeting.

Country Companies was awarded the insurance coverage for the school at a total cost of \$1,495.00.

A report on the local P U D ordinances was presented and as a result the board is in the process of determining local policies regarding such developments.

It was with regret that the board complied with Mrs. Hildreth Caseys wishes not to be considered for further contract obligations for the 1972-73 school year. Mrs. Casey has devoted 4 years of service to Grass Lake School as a 2nd grade teacher. Her untiring efforts towards education of the children will be missed.

The board has established a committee to work with the teaching staff to submit policies and regulations of the educational program to the board of education for their consideration.

April 6th and 7th were

added to the Spring Vacation calendar. School will not be in session from Friday, March 31 through Sunday, April 9th. School will resume on Monday, April 10th. Monday the 20th of March will be an Institute Day for the teaching staff. They will be visiting other area schools to observe various phases of their educational program.

Market Value	Assessed Valuation	Cost Per Year
\$10,000	\$5,000	\$ 8.50
\$20,000	10,000	17.00
\$30,000	15,000	25.50

During the 1970-71 school year the Board of Education received 38 percent of their money from local taxes to operate the schools. State aid accounted for 51 percent of the budget, Federal aid was 4.9 percent of the budget and other areas accounted for 6.1 percent. The average elementary school in Lake County receives 55.2 percent of their money from local taxes. State aid represents 34.6 percent of the receipts in the average elementary school district in the County while Federal aid is an average of 4.5 percent of the budget with 5.7 the average for all other areas combined.

Educational Tax Rate - Second Part Of School Referendum

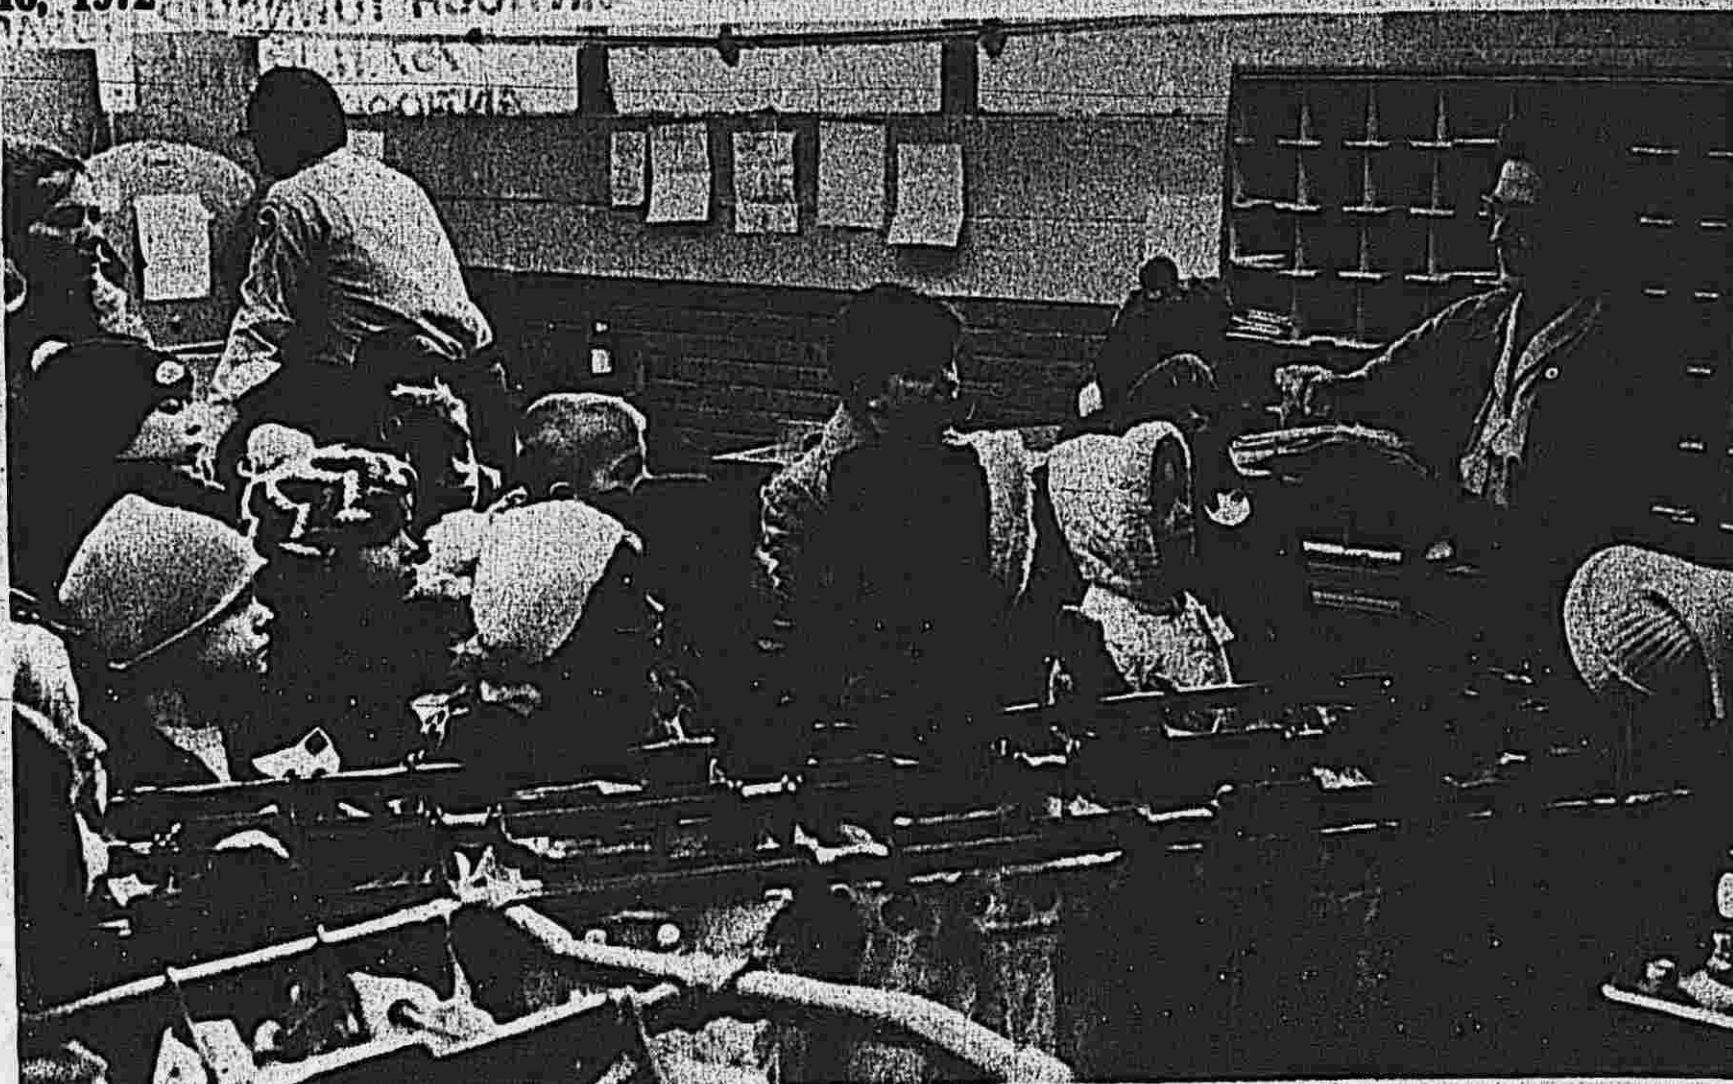

The Board of Education, Lake Villa Schools is requesting voters to approve a Working Cash Bond in the amount of \$210,000 to reduce their present debt of \$353,000 and the high interest costs required to carry the debt in the educational fund. An Educational Tax Rate increase in the amount of 17cents is the second part of the referendum to be on the ballot on February 26th, 1972. Voting will be held in two precincts: Central and B.J. Hooper Schools.

The present Educational Tax Rate is \$1.11. The average for all elementary schools in Lake County is \$1.25. If the voters approve the 17cents increase the

Lake Villa Schools will be 3 cents above the average for Lake County.

Approximately \$45,656.00 will be received by the school district if the 17 cents increase is approved. This money will be used by the Board of Education to reduce the school debt which they hope will be reduced to \$143,000 by issuing Working Cash Bonds. A portion of this \$45,656.00 is also expected to pay for increased costs of education.

If the voters approve an increase in the Educational Tax Rate it can be expected to cost each voter the amount shown below corresponding to their assessed valuation:

30 Second Grade students from Mrs. Hall's class at the Emmons Grade School were taken on a tour of the Post Office in Antioch. Mrs. DeVoe, a Postal worker at the Antioch Post Office conducted the tour for the second graders. She explained the process a piece of mail goes through after it has been mailed until it reaches our homes. (Staff Photo)

SPEAK OUT
by Gigi Spittle

This time of the year, many people are out enjoying their snowmobiles. It's one of the "cheaper" hobbies you can take up. Snow skiing is too expensive, while snowmobiling is for one and all to enjoy at a considerably lower price. I received many interesting and different views on the pro's and con's of snowmobiles. It was also interesting to hear various complaints regarding the condition of local streets. This week's questions were:

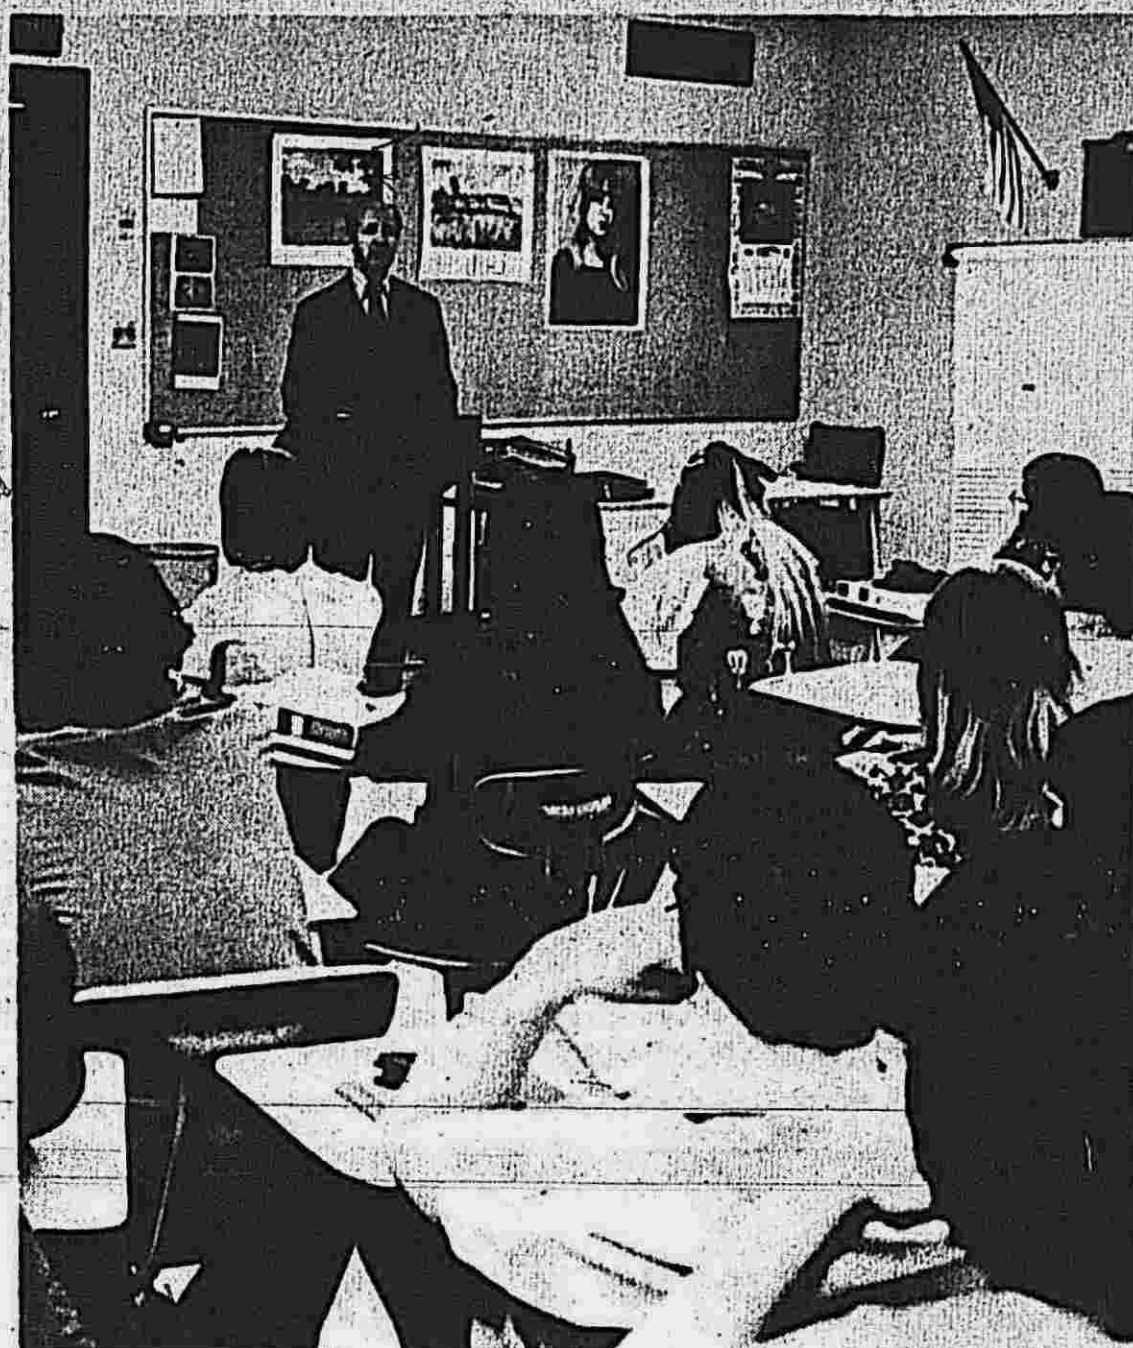

"WHAT DO YOU THINK OF SNOWMOBILES?" and "DO YOU THINK ANTIOCH'S STREETS NEED TO BE IMPROVED?"

MRS. JOSEPH BOROVICKA of Briar Terrace, Antioch, states, "I think snowmobiles are alright until people get too overbearing. Like this morning around 2:00 a.m. I saw a few snowmobilers on the lake. Fun is fun, but not that early in the morning." Concerning Antioch's streets, she said, "I think there should be a stoplight on Orchard and Main Streets. If you're turning left from Orchard onto Main Street, many times you wait a long time for an opening."

TERRY TOBIAS, a senior at Antioch High School, thinks snowmobiles are great! But she also added, "I think more rules should be adopted to prevent accidents from happening. Snowmobilers should have more consideration in traveling on other people's lawns. Come spring, the yard is all torn up." She added that there should be more trails marked for snowmobiles than there are now. The only thing Terry doesn't like concerning Antioch's streets is the stoplight at Lake and Main Streets. She stated, "the stoplight is fine for in the summer when the Chicago people are out, but during the winter, all that is needed is a blinking red light."

MR. JOOP VAN EMPEL of Highland Avenue, Antioch, told me, "Snowmobiles are a pest! They interfere with my television set." On the subject of streets, he complained about his own street, Highland Avenue, which runs parallel to Grass Lake Road. "When Spring comes, the road is flooded like an ocean," he explained. "We've called the Highway commissioner to come look at our street, but he never comes! We're taxpayers too!"

My whole family are snowmobiling fans especially my Dad and two brothers. It's a riot to ride or drive a snowmobile. So if you haven't tried this exhilarating sport, try it today!

32nd District Representative Robert McClory is shown addressing one of Mr. Lucien McLean's senior government classes at the Antioch High School on February 14th. McClory, who is visiting his district during the congressional recess, gave the informal lecture as part of the Lincoln Day celebration. (staff photo)

EDITORIAL

VOTER APATHY

Last Tuesday's primary election again pointed out the apathy that has overrun the township. Of the thousands of eligible voters, only a handful took the time to exercise one of the freedoms that many good men have given their lives to preserve.

It is undeniable that the election, for all intents and purposes, was only a contest for the G.O.P. Still, voting is not merely a privilege or right, it is a duty.

People will come up with many explanations to account for the disquieting turnout: all bad.

Some didn't want to divulge their party affiliation. Others found out, at the polls, that they couldn't change their party choice because of the "23 month rule," even though this newspaper as well as most others in the county carried stories on the issue.

None of these are, in fact, explanations: they are excuses.

Now that this particular election has passed the people of the area have a chance to redeem themselves, in part, for their past failures.

The next election, another primary, will take place on March 21st.

If the question of the 23 month rule stymied you at the last election, note that there is a move under foot to void this archaic statute. Let your elected representatives know your feelings.

However, should this measure fail, assume the responsibilities of citizenship and vote.

All of the ills of the township and the country may not be solved at the ballot box, but then failure to vote contributes to the problem rather than alleviates it.

REDUCING HEART ATTACK DEATHS

The battle against heart and blood vessel diseases is winning important victories in treatment and prevention. This is evidenced by an 18 percent decline in the cardiovascular death rate for persons under 65 since 1950. Reduction of death rates for strokes, high blood pressure and hypertensive heart disease, have been particularly significant for the population as a whole. These advances have occurred since the American Heart Association instituted massive research programs following its founding as a national voluntary health agency in 1948.

Despite this program, the death rate from heart attack has undergone little change. This year it is estimated that more than 670,000 persons will die from this leading killer, a loss of lives that the Heart Association is striving to reduce through its research, educational and community service programs.

During the February Heart Fund Campaign, volunteers will distribute literature to homes throughout this community on the warning signs of heart attack and emergency measures to take when symptoms occur. Delay in recognizing symptoms and securing immediate medical treatment is responsible for many needless deaths. Therefore, it is vitally important for every citizen to know these potentially lifesaving facts.

It is also important for us to support the thousands of medical scientists and physicians who are seeking methods of preventing and controlling heart attack and other heart and blood vessel diseases which take more than one million lives annually in this country. We can do this by giving generously when the Heart volunteer calls for our Heart Fund contribution.

Avery Brabender shows one of the more common citizens of his "ANIMAL FARM." (Staff-Photo)
(ED. NOTE: more pictures appear on back page.)

the animal farm

"THE ANIMAL FARM" as most of us know is a fictional account of a society comprised of animals. And yet, how much fiction and how much fact? Antioch is the site for an "Animal Farm" of sorts.

Here, Sheba a German Shepard and Vic the monkey live in strained co-existence. 800 guinea pigs create a housing crisis that city planners would bemoan. Turkeys, chickens and a swan grudgingly get along in a changing neighborhood.

While these problems may sound whimsical, they are very real concerns for Avery Brabender, who has created his own personal "Animal Farm".

Brabender is currently raising a menagerie of animals on his farm, east of Antioch just off Rte 173. Here he raises guinea pigs, silver fox, Mink, rabbits, ferrets, skunks and many other of the inhabitants of

his Orwellian facsimile.

The animals are raised for pet shops, breeders and the attraction he hopes to build some day. Brabender, the king of this domain was formerly the Animal Warden of North Chicago. He enjoys animals so much he decided to start his "Farm" after he left his north shore post.

In addition to the animals he keeps for breeding purposes, Brabender also has white swans, deer, a hawk, pea-fowl, fish, cockatoos and other game he hopes to put on display when he has time to develop his "brain storm."

Brabender noted that the army of animals was not all fun. "It's hard work," he said. For instance, he must keep a wary eye on his subjects lest they become ill. "If the guinea pigs don't get enough vitamin-C they will get scurvy," a sickness connected with sailors and

"nothing to be fooled with" when you have 800 lives on board.

The former Game Warden explained that the room in which the guinea pigs are kept is bathed in ultraviolet light to help kill any strong disease germs. He, himself almost single-handedly helped introduce puramycin into common use. Puramycin is a chemical antibiotic put into pet food to help insure the health of the animals.

Besides the animals he raises for sale, Brabender also keeps many cats who have been abandoned by their owners. He cares for the cats, gives them a clean pen to live in and helps find them new homes. He estimated he had placed 200 cats in this way, last year alone. "Many of these cats would be taken to the pound and put-to-sleep if someone didn't care for them," he said self consciously.

Brabender's "ANIMAL FARM" far from being a democracy is still one of the most benevolent states for animals that we know of.

Military Pensions Tax Exempt

This is the first year that Military retainer/retired pay (hereafter referred to as retired pay or pension) received for the previous year (1971) is not taxable in the State of Illinois.

Simply said, retired servicemen residing in the

State of Illinois may fully deduct their retired pay from the Illinois State Income Tax.

Your best chance to learn of this and similar tax savings is to consult a qualified tax preparation firm.

WOMAN ROBBED-BEATEN BY HITCH-HIKER

An Antioch woman was robbed and beaten on February 7th after she had picked up a hitch hiker east of the village on Rte 173.

Mrs. Jo Donna Masters 45, of 492 Lake Street told police a young man, wearing an army-type jacket and knapsack, struck her and removed an indeterminate amount of money from her purse.

Police officers from Antioch searched the area of the incident finding tracks in the snow, but no assailant.

The following day Antioch police learned that

the Zion department had picked up a hitch hiker who fit the description and were holding him subject to identification.

Officer Miller of Antioch went to Zion and with the subject's consent took pictures to aid Mrs. Masters in making an identification.

Mrs. Masters explained that the man resembled her assailant, but was not wearing glasses and his beard was much shorter.

The man was subsequently released.

Police are continuing their search.

SEQUOIT SMOKE Signals

There certainly was alot of activity around school this week. Valentine's Day was celebrated in good form with a Carnation Day sponsored by D.E., distributive education. Secret heart shaped messages accompanied the flowers. I think many people were pleasantly surprised by the flowers they received.

Also, in honor of Valentine's Day, there was a Valentines Dance after the basketball game Friday night. The Pep Club arranged everything for the dance which turned out to be a big success.

Speaking of the basketball game, great news! THE SEQUOITS have returned to the winning track. They put

on a great show Friday night when they beat Lake Forest by a score of 79-66. TIM MEIURE is back to his old self. He contributed 36 points to the score and made all of his free throws. 20 out of 20! Keep up the

good work!

The G.A.A. had a slumber party after the game. About twenty-one juniors and seniors had the chance to take over the school for the night. There sure were a lot of dead looking girls Saturday morning, no wonder basketball at 4:00 a.m.!

Congratulations to CLIFF BODE and ANDY FELDMANN who placed in the district competition at Warren this weekend! Cliff placed second in his weight class and will go on to sectional competition. Andy placed third in his weight class but will go no farther. The school should be very proud of these hard working wrestlers!

The S.E.A. was busy last week too. They held a Natural Foods Dinner Thursday night along with a film. It took a lot of preparation and they deserve a great deal of credit for their efforts.

The volleyball team championship tournament came to an end this week. The sophomore class champs played the All Star team in the final round. The All Stars came out the champs congratulations girls!

Don't forget to attend

the Northwest Suburban Choral Festival this Thursday at 7:30 p.m. in the gymnasium!

See ya next week!

Remember When?

Remember when? We don't, but maybe some of you do. We know it's Antioch, but just when and where is another story. For the next few weeks we will publish a photo from a

time long past in hopes for some it might spark a fond memory.

If you should happen to know when and where let us know! We would be very much interested. Also if any of you

have a very interesting "remember when" photo of Antioch and would like to share a memory with others, we will try to print it for you.

picture above is by the courtesy of Mr. Robt. Wilton Sr.

Dear Sirs:

I am a subscriber to the Antioch News and saw the picture of the Main Street in Antioch many years ago. Yes, I lived in Antioch with my family when I was a small girl, in what they called then the old French house. I remember the dirt roads and board side walks, Foltz's store was where the First National Bank is now on the corner of Main and Lake St. The Williams Brothers store as it was called at that time also sold groceries then. There was a harness shop somewhere about where Bob Wilton's electric store is now and a Millinery store run by Addie Shaffer-we bought all our hats there. She was a short, rather stout lady - I can still see her walking down those board walks with a silk umbrella, to us kids she was the most stylish lady in town. Dr. Ames who lived on Lake Street was our doctor. The name Shotliff stands out in my mind - I believe he had a meat market.

I was Clara Stein in those days, I married Arthur Wilton and lived in the Jerome Burnett house, which

I sold later. The house was moved off and the Jewel Tea store is there now. I was in Antioch three years ago for a short time and hope to get back again the Lord willing. I am 82 years old now and still active.

Respectively,

Clara Wilton

CADET

WILLIAM S. ROHDE

Cadet William S. Rohde, son of Mr. and Mrs. Elmer W. Rohde of Rte 3, Lake Villa, Ill., has been named to the Dean's List at the U. S. Air Force Academy.

Cadet Rohde, a member of the class of '75, was selected for his outstanding academic achievement. He will be granted special privileges and wear a silver star designating the honor accorded him by the academy dean.

The 1971 graduate of Grayslake Community High School will be commissioned a second lieutenant and awarded a B.S. degree upon his graduation from the academy.

Along the Way with

Annie Mae

And, were YOU one of the lucky ones who was remembered on Valentines Day? A card, a box of candy??

All the way from Tehran, Iran comes word that DEE (STILLSON) and MIKE HAUSER have adopted their 2nd Iranian baby. They have a year old little girl born January 11, 1971 and a little boy born January 10, 1972. As yet, we haven't heard his name. Dee and Mike are both teachers in the American school there in Tehran. A nice belated birthday (Feb. 6) present for the proud Grampa, MEL STILLSON of Antioch. (Let's not forget Grandma's pleasure too!)

Happy Birthday, February 16 to MARGE GAA; February 18 to JEAN PROCTOR, REGGIE SZYMANSKI and a "sweet 16" to KATHY TOFT; On February 20 birthday wishes go to CLARENCE HAASE, EVELYN FREUND, and EMMA ROBLIN (she'll soon be leaving Antioch!) February 22 wishes to JEAN SOBY and BUNNY MIHOVLOVICH

On Monday, Feb. 7th the Antioch Township Republican Women's Club met at the Fire House and wrapped packages for boys overseas. These 20-odd hardworking women made up over 100 packages for the 31 boys whose names were given to them.

Each boy will receive 3 packages. Some of the things that were sent are: cookies homemade by the Republican Women, potato sticks, canned meat, paperback books and of course many other items.

If this fine venture is to continue, we MUST have donations - both money and items - and names! It is easy to "do your part". Just drop your contribution off at the Antioch Post Office for the VIET NAM FUND. Do it now! Do it today!!!!

Looks like we have a busy week ahead of us! Some dates to remember are:

February 17 is the High School Choral Festival with some 600 young voices to make the rafters ring. 8 p.m., sharp!

Antioch Twp. Republican Club meeting, tonight, Feb 16, at 8 p.m. at the Antioch Country Club.

February 15 is the deadline for your 1972 license plates! Also, if you live in the village, vehicle stickers are overdue!

February 18, Friday, Come cheer the Sequoits to a victory at Grayslake. Sophomore game starts at 6:45 - Go Team!!

Saturday nite, Feb. 19 is the Fine Arts Concert band and choir concert 8 p.m. at the High School.

And February 21 the Grass Lake PTA is having a pot luck supper, 6:30 at the

school, to bring out the membership after a "winter lay-off". Bring a dish to pass and your own silverware. Come and meet your neighbors.

Sounds busy, but that is what makes the world go round. For sure I'm on my way!

Annie Mae

Washington's Birthday Cake

The raisins and spices, imported from afar and saved for special occasions in Washington's day, are now everyday staples. California raisins and currants are inexpensive, and so clean they are ready to use right from the package. Instead of returning the box to the kitchen shelf, empty the rest of the raisins into a candy jar to leave on the kitchen table. They will disappear by the handful when they are in view. And you'll know that your family is enjoying excellent healthful, natural snack food.

MARTHA WASHINGTON'S RAISIN CAKE

1 cup butter	1/4 cup half and half
1 cup plus 2 tablespoons sugar	2 1/2 cups sifted flour
1/4 teaspoon cinnamon	5 eggs
1/4 teaspoon nutmeg	1/4 cup sherry
1/4 teaspoon cloves	1 1/2 cups California seedless raisins
1/4 teaspoon salt	1 1/2 cups California currants
1 teaspoon vanilla	

Beat together softened butter and sugar until light and fluffy. Add spices, salt and vanilla. Stir in half and half and 1/2 cup flour. Beat eggs until thickened. Gradually beat into spicy mixture. Add remaining 2 cups flour and wine alternately to make smooth thick batter. Stir in raisins and currants. Turn into greased and floured 2-quart tube pan. Bake in slow oven (325 degrees F.) about 1 1/4 hours. Let cake stand in pan 15 minutes then turn out onto rack and cool. Makes 1 (9 1/2-inch) cake.

Helpful Hints

Snowmobiling calls for something hot and nourishing to carry along in a thermos. Chicken Vegetable chowder is just the thing. Cook a 10-oz. package of frozen mixed vegetables then add 1 can of condensed cream of chicken soup, 1 1/2 cups of instant energy milk and 1/2 tsp of instant minced onion. Heat, then over low heat stir in 1 cup of shredded Cheddar cheese until melted. Makes 4 3/4 cups.

There is a special privilege in store for you at the State Bank of Antioch if you are a Senior Citizen! They will provide a complete checking account service for you at no cost. Think of the wonderful convenience this will give you and your budget. There is no monthly service charge, ... and, there is no minimum balance required. Stop at the State Bank of Antioch today and take advantage of this offer!

PUBLIC MEETING TO INFORM

There will be a public meeting for the residents of School District No. 33 on Thursday, February 24, 1972 at 7:30 p.m. The purpose of the meeting is for the voters of School District No. 33 to give guidance and direction to the Board of Education concerning the Development that is projected at the Antioch Country Club.

SPEAKER AT MENTAL HEALTH ASSN MEETING

There will be a Mental Health Association meeting on February 21 at 8:15 p.m. The meeting will take place at Lorenz's Smart Country House.

Speaker for the evening will be from the Grove School in Lake Forest.

Anyone interested in the Mental Health Association is more than welcome to attend the meeting.

SO-CI'E-TY

n. pl. TIES. (L. societas fr. socius a companion; cf. F. societe. See SOCIAL) the relationship of men associated in any way to one another; companionship; fellowship; connection; participation.

'Lend an Ear'

Evening of Entertainment

Opening night of LEND AN EAR was an "opening" into the spoofing and fun of the "roaring 20's". The musical comedy by Charles Gaynor was ably directed by Ken Smouse, with musical accompaniment by Tracy Teltz on piano and Nick Baldasano on percussion.

LEND AN EAR consists of a series of musical numbers with no connecting plot.

Act I got off to a rather slow start but soon had the audience captivated.

In "Do it yourself" Shirley Jensen and Robert Lindblad ably portrayed Mr. and Mrs. Alvin Blodgett in a

skit about their delinquent child.

The smartest thing that happened to the PM&L group was to get Aileen Biel out in front of the stage. She was captivating as the English Ballade Singer and had our stomachs aching yet at the same time had our feet tapping while she strummed her one-string "twang".

The Gladiola Girl put on by the "Missing Road Company" was truly a bit of nostalgia. From the "pure - golden haired" Rosalie, played by Dina Fabry and the rich - handsome young hero played by Fred Holbert - to the 3 flappers - Sue (Nancy Eberman), Pru (Betty Waters) and Boo (Elda Minger) - the cast had you believing life was all fun and games.

For an evening of pure entertainment and laughs and nostalgia, we recommend - LEND AN EAR!

WOMAN'S CLUB HAS ENTERTAINING

MEETING WITH "SPOOF ACTRESS"

The Antioch Woman's Club held its regular meeting on February 7th. During the business meeting members were reminded of the coming card party sponsored by the Woman's Club on March 13th at the Antioch Savings and Loan. Mrs. Frank Benes is chairman.

Mrs. Fred Holbert, chairman of the March of Dimes drive gave a report on the Mother's March. There were 39 women who participated and an incomplete total of \$386 was collected.

Mrs. Dan Mentone presented the program. It was called "Mix and

Match-Company of Two," performed by Mary Ellen Winchell and Nancy Thomas. With very few props which included "unusual" hats, a "slightly-used" fur stole along with banjo, guitar and ukulele they provided an afternoon of fun. There were skits and songs which covered many areas such as "The Liberated Woman," "Men," "Married Life" and "The Good Old Days." Undoubtedly everyone watching could identify with at least one person or incident, dramatized by the girls. It was good fun.

Mrs. Myrus Nelson and her committee served refreshments.

Library Carts Is Fun Fair Aim

Everyone wants to know why there is going to be a Fun Fair on Sunday, 27th February, 1972, 1 - 7 p.m. in the Antioch Grade School Gym.

The P.T.A. is raising

money for library carts so that many more books will be available to all the children.

Watch out for the list of raffle gifts so kindly donated by our local businessmen.

P. M. & L. TO HOLD TRYOUTS

Tryouts for workshop production of "Curse You Jack Dalton" will be on Wednesday, February 16th at 8:00 P.M. at P.M. & L Theatre on Main Street. Everyone is welcome.

NEWCOMERS PLAN

THEATRE PARTY

The Welcome Wagon Newcomers Club are planning a P M L Theatre Party for February 25th. For details and information call: 395-3063, deadline is February 19th. A Toboggan Party is being scheduled for the near future.

The next Newcomers meeting will be held March 1st, 8:00 P.M. at the Methodist Church, Room 7. New residents are cordially invited to attend, activities of various variety are being scheduled. For additional information call: 395-3063 or 395-3650.

Hastings YMCA Announces \$15,000 Fund Drive For '72

LaVERNE WOODS

of \$15,000.00 for 1972.

Contributions will be used for capital expansion of the YMCA with the main goal of enclosing the swimming pool for year around community and camping use in 1973.

Mr. Woods pointed out that the YMCA is presently

offering many community programs such as a Father and Son Indian Guide program that is in full operation, a very successful Iceless Hockey program at local schools and the YMCA camp, an Ice Hockey League is also in operation on weekends at the YMCA camp site. Many children from the local community participate in the camping programs presented at the YMCA during the summer months.

Mr. Woods said the total campaign will be under the leadership of Mr. Edward Hopkinson with Mr. Don Walsh, Antioch and Dr. Gordon Falknor, Grayslake, co-chairman of the community service section.

Mr. LaVerne Woods, newly elected chairman of the Board of Directors of the Hastings YMCA in Lake Villa, announced the kickoff of the YMCA's Annual Youth Fund Campaign. The drive will get under way February 21st with a goal

Rap Forum Makes Initial Impact

The Student - Adult Rap Forum instituted several months ago at Antioch Community High School has had its "initial impact upon procedures within the school", according to school superintendent Albert L. Dittman.

Rap Forum discussions brought to light several problems with the previous method of issuing demerits for class tardiness. Several of the suggestions made were brought to the attention of administration, proposed to the teachers and approved by all concerned.

The result was a change

in procedure which functions with greater efficiency and has improved an area of the school program in a positive and constructive fashion.

Formerly, students who arrived late for class were sent to the attendance office to obtain a slip-permitting them to enter class. Forum members noted that this was a waste of class time.

The new procedure goes a long way in remedying this situation. Teachers now have the responsibility of filling out tardy slips and using a special guideline to assess the number of demerits to be given.

Hoffland To Direct Feb. 17th Concert

R. HOFFLAND

Richard Hoffland, Director of Choral activities and Associate Professor of Voice and Church Music at Decatur's Millikin University will be the guest director at the Northwest Suburban Conference Choral Festival,

Thursday evening February 17th at 7:30 p.m. in the Antioch High School gymnasium.

Hoffland is a graduate of Concordia College in Moorhead Minnesota and holds a M.M. degree in voice from the American Conservatory in Chicago. He has served as Director of Music at the Second Presbyterian Church in Bloomington, Illinois, the First Lutheran Church of Sioux Falls, South Dakota and at Westminster Church in Decatur. Hoffland is an active clinician and festival conductor for church and school choirs.

Tickets for the Thursday concert may be obtained from members of the high school Acapella Choir. Tickets will also be available at the door.

FINE ARTS DEPT. CONCERT SET FOR SAT. NITE

The Antioch Community High School Fine Arts Department will present its Mid-Winter Concert Saturday night February 19, at 8

o'clock in the high school auditorium. The concert will feature the Freshmen Girls Choir, and the All School Girls Choir under the

direction of Ralph Brooke and the Concert Band under the direction of Lee Gustafson. Admission is free.

Channel Lake Chatter

Many happy birthdays have been celebrated recently, including BUD BAKER who celebrated his 29th-plus.

NANCY FEMER celebrated her 11th birthday with a party at her home for some of her 5th grade classmates.

Little KENNY ANDERSON had a very exciting 4th birthday recently, because his mother treated him to his very first birthday party. Thirteen friends helped Kenny celebrate the happy occasion.

MARY JO ZELEN celebrated her birthday on Saturday along with Abe Lincoln. Many of her friends and relatives stopped in during the day to wish her

well and 2 year old SCOTTY had a great time opening his mother's gifts. The day was topped off with a snowmobiling good time with their neighbors.

Happy birthday last Thursday to VIVIAN McNALLY from the At Last Resort. Vivian said she turned 29 again and that's pretty good for a grandmother with children in their 20's.

EMIL FROZETH celebrated his 85th birthday Sunday with a surprise party at the home of his daughter Mrs. Doris Meierdick. Hostesses for the event were his two daughters, Mrs. Meierdick and Lorraine Lemke. About 40 friends helped Mr. Frozeth and his wife Agda enjoy the delicious buffet supper and birthday cake prepared by Doris and Lorraine. Many happy returns Mr. Frozeth!!

DAWN BEHRENS, 7 year old daughter of Rich and Kathy Behrens is in Evanston Hospital where she underwent eye surgery last Monday. Dawn will be hospitalized for at least two weeks and would love some cards from her friends and classmates. Nothing cheers like mail when your confined to a hospital room.

DICK and PAT HARLAND along with children MIKE, BILLY, NANCY and JILL journeyed to Madison Wisconsin last Saturday where Dick and the boys attended a hockey game at the Dane County Stadium. While at the game Pat the girls had dinner and a nice visit with her sister and family.

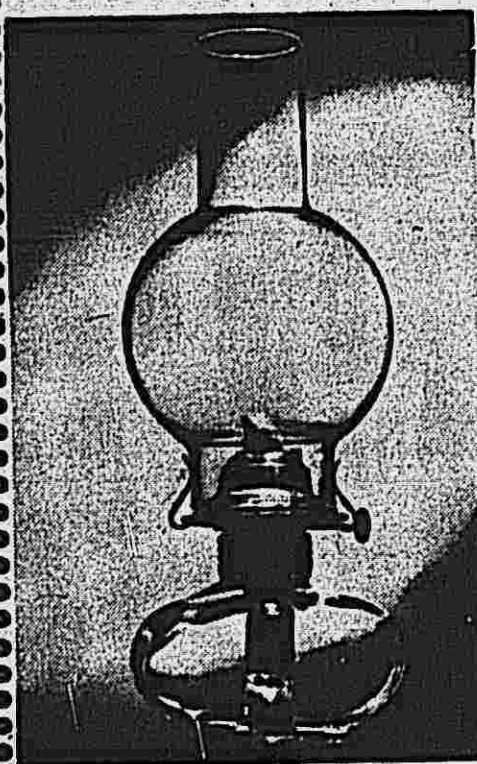

The GIRL SCOUTS are very busy in the neighborhood selling cookies. Please help them out and purchase a box of cookies.

Welcome to the new Cub Master for Pack 186. He is MR. PETER ZELEN and we wish him good luck and much success.

Let me know the news - 395-1317.

American Legion Auxiliary News

"Do many young people know that there is a government brochure entitled, 'How a Thought Becomes a Bill, and How a Bill Becomes a Law?' asks Mrs. Thomas Watters, Grayslake, district legislative chairman of the 10th District American Legion Auxiliary. "This booklet contains valuable information to anyone interested in government procedures."

Mrs. Watters urges all 22 Units in Lake County to subscribe to the national legislative bulletin. Their legislative chairmen have the responsibility of reporting current bills pending before the state and national legislatures at Unit meetings.

"You cannot be reminded too strongly and too often to keep up a steady stream of letters to your U. S. Senators and Representatives and to the Chinese authorities in Paris, France and North Vietnam regarding our prisoners of war (POW). It is believed that a constant show of correspondence concerning our suffering servicemen will make their captors realize how much and how many people deeply care that they be given their freedom!"

There will be another leadership Training Course held this time for both

legionnaires and Auxiliary members on the Second Division level, at the DeKalb American Legion Home, on February 20th, with registration from noon to 1:00 p.m., when the session will start. Division Vice President, Mrs. Ray Rathmann, Antioch; joins 10th District Commander Roy Lundsten of Wauconda; and District President, Mrs. Joseph Hogue of Waukegan; in feeling that vital training will be given all who attend, and are hopeful for a large turn-out of members.

At the February 9th meeting of the 10th District American Legion Auxiliary, held at the Highland American Legion Home, the members heard an excellent speech on the privileges and duties of Americans in promoting Americanism by George Francis of Libertyville.

Mrs. William Franzen, Vernon Unit, was unable to accept the chairmanship of the district nominating committee, so Mrs. Logan Kennedy, Waukegan No. 548, was appointed chairman. Other four members who were elected are: Mrs. Richard Brown, North Chicago; Mrs. Louis Thompson, Waukegan No. 281; Mrs. Richard Stastny, Mundelein; and Mrs. Ray

Rathmann, Antioch.

District foreign relations chairman, Mrs. Richard Brown, had a collection taken for CARE-MEDICO for Kenya, Africa, the foreign country that the Auxiliary is studying and aiding monetarily this year. \$40.00 has been contributed thus far from the 10th District, and this does not include the donations from Units. The national American Legion Auxiliary is building a health center at Lekoya, Kenya; and health dispensaries at Poroka and Masarura. These health centers have a population of over 30,000 natives as potential patients.

Representing the Antioch Unit at this meeting was President Mrs. John W. Horan, Mrs. Earl Horton and Mrs. Rathmann.

by

Raymond A. Minor, D.V.M.

RABIES IS STILL DREAD DISEASE

If anyone thinks rabies is no longer a problem in this country, he is wrong—dead wrong. People are still dying from it, and only the fear of this dread disease could persuade anyone—including me—to take the painful anti-rabies treatment following an animal bite.

That some 20,000 Americans undergo the treatment each year is proof that society still fears rabies.

Death from rabies is not only agonizing, it is usually inevitable. To my knowledge, only one person has ever survived a rabies infection. Thanks to his doctors' skill, six-year old Matthew Winkler, of Willshire, Ohio, recently recovered from the disease.

Matthew was bitten on the thumb by a rabid bat. Although he received the series of 14 anti-rabies shots (given under the skin of the abdomen), he still came down with the disease. The fact that he still survived is now medical history, but his case underlines two other important facts: that anti-rabies treatment is far from perfect and that the reservoir of rabies virus in wildlife is a continuous threat to man.

Rabies is caused by a slow-acting virus. It enters the wound from an infected animal's saliva and travels up nerve trunks toward the spinal cord and, finally, the brain. Because it is slow-acting, a post-infection vaccine can prevent the disease in man, though sometimes the vaccine can be just as dangerous. That is why, except for veterinarians and others who routinely handle animals, few people are vaccinated against a possible infection.

Researchers are seeking safer, much less painful vaccines and other treatments for rabies. But

JANET POLSGROVE

ON DEAN'S HONOR LIST

Mr. and Mrs. Wayne Polsgrove of Antioch have been informed that their daughter, Janet, a Freshman at Illinois Wesleyan University, has been placed on the Dean's Honor List. Miss Polsgrove received straight "A's" for the first semester and the January Short Term. She is a 1971 graduate of Antioch Community High School.

PAULINE SONDAY STUDENT TEACHING

PAULINE SONDAY, daughter of Mr. and Mrs. Claude E. Sondag of 1908 Columbia Bay Road, Lake Villa, Ill. is among twenty-six junior elementary education majors from Northern Illinois University who will prepare for prospective student teaching experiences at Lorado Taft Field Campus Feb. 14 - 16.

The outdoor education center, an extension of the NIU campus, is 35 miles west of DeKalb and is equipped with a heated dormitory, modern dining hall, library, classrooms and workshop areas.

Dr. Inez E. Bishop, NIU professor of elementary education, will accompany the students and assist Dr. Morris Wiener of the Taft staff in the workshop sessions.

rabies are reported annually in the United States.

—These cases occur in every month of the year.

Because rabies is a slow-acting virus, symptoms may not appear until after a long period of incubation, ranging up to several months. When the symptoms do appear in an animal, it is in the form of a change in normal behavior. Friendly animals become aggressive;

timid animals become bold. In some cases (but not all), animals become furious; they snap and bite constantly. Finally, they sometimes pass into a paralytic or dumb state. But always, they die.

While great progress has been made in protecting the nation's 25 million dogs from rabies, very few of our 27 million cats have ever been vaccinated against this serious disease. Cats are hunters and are often exposed to animals that carry rabies. Without protection from a vaccine, cats can and do get rabies.

Some countries are totally free of rabies. By having your cat as well as your dog vaccinated against rabies periodically, you can help speed the day when this country will also be free of this terrible disease.

--All warm-blooded animals -- and that includes human beings are susceptible to rabies.

--The disease is world-wide.

--Thousands of cases of

When Should A Woman Pose For Professional Portraits?

There are at least five important times in every woman's life which deserve to be captured in fine professional portraits. Significant milestones which reflect themselves in beauty and charm found only in the mature woman who has experienced love and understanding.

That very special beauty should be captured:

1. When a "Miss" becomes a "Mrs." and her new life of sharing begins.
2. When she acquires her first real home, her own private queendom to personalize with the unique touches and talents she alone possesses.
3. When her husband makes his mark, or receives his first private business office and wants her there beside him.
4. When children leave home, and her own family is separated for the first time.
5. When she becomes a grandmother, and a new—very special—life begins.

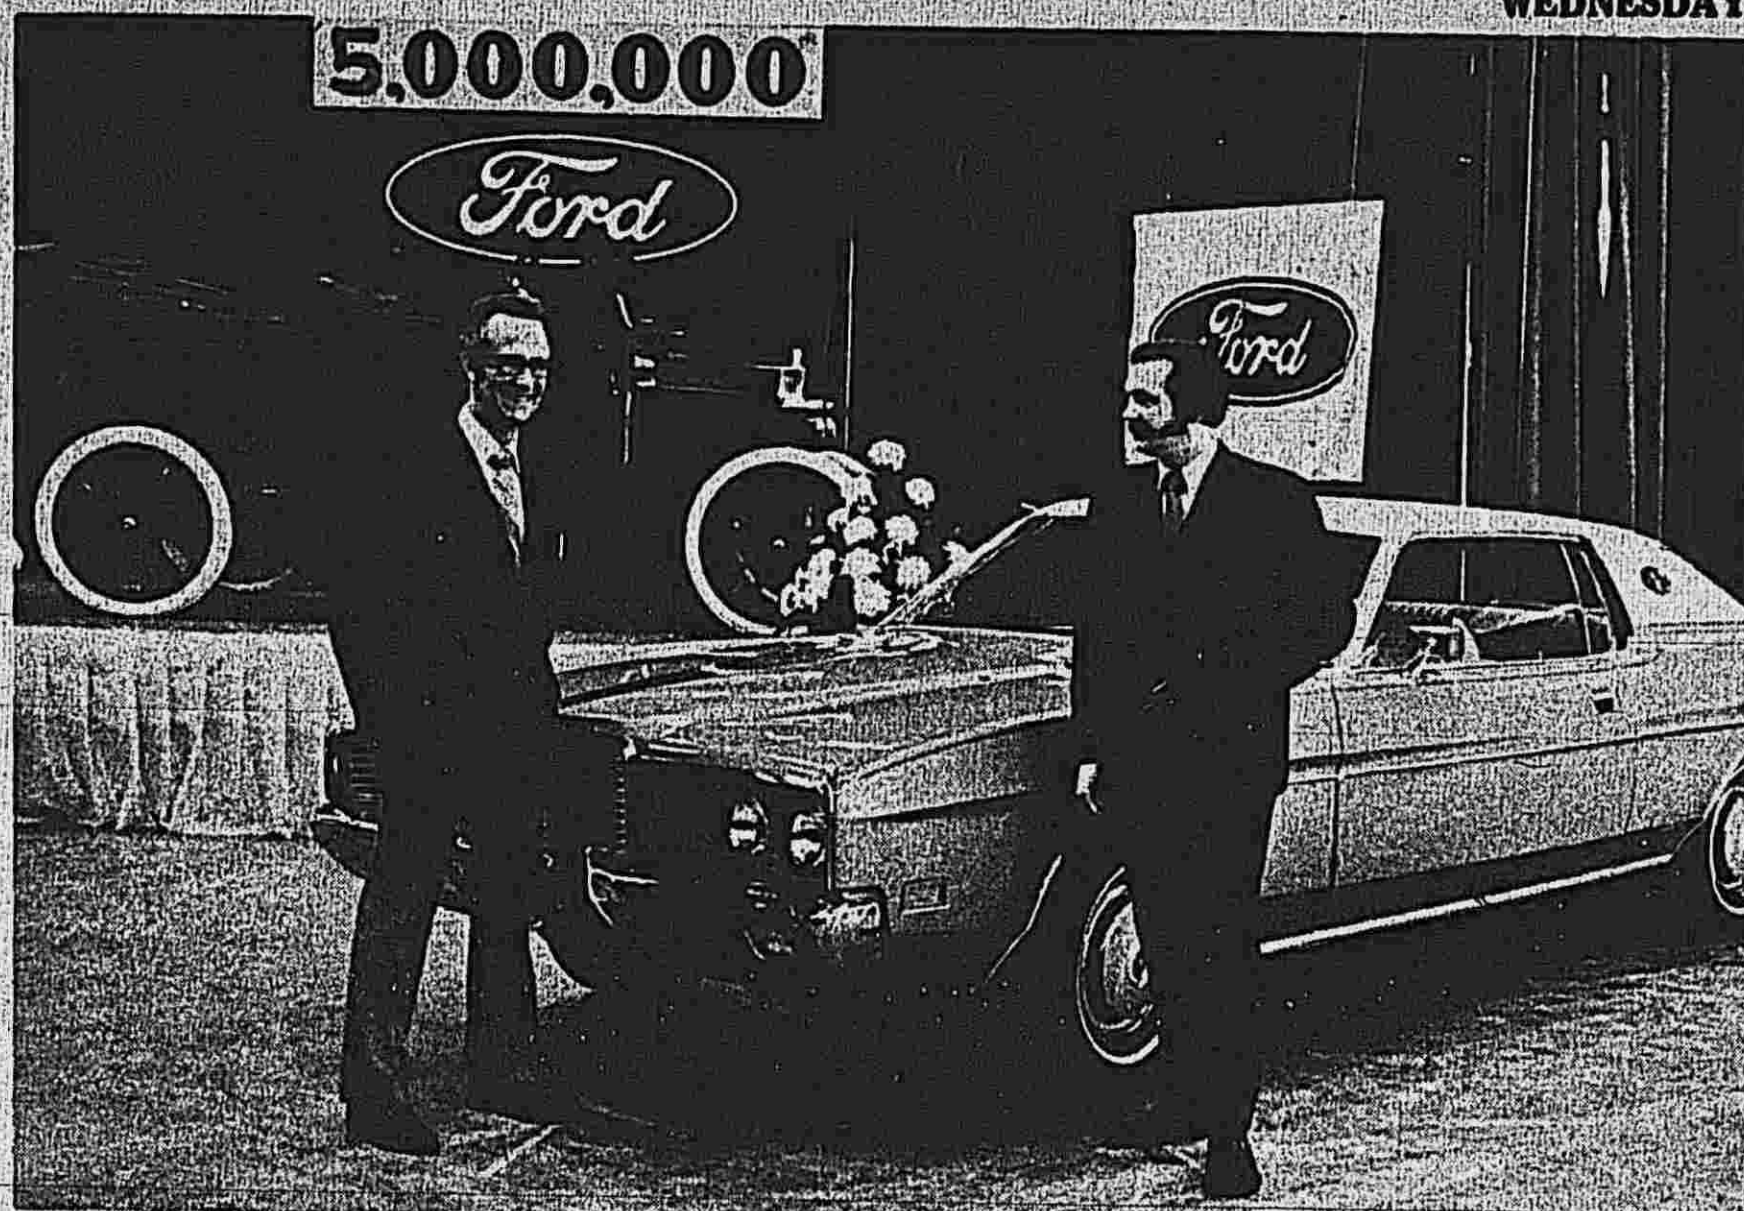

If you are approaching one of these milestones, make arrangements now—before it's too late—to have our fine professional photographers capture forever the once-in-a-lifetime beauty that cannot last.

It's later than you think!

B - J STUDIOS

PHONE 395-5554

141 CHERI LANE ANTIOCH, ILLINOIS

Kenneth "Tork" Torkelson, Used Car Manager, and Ed Rouzan, general manager of Lyons - Ryan Ford in Antioch were on hand to witness the 5,000,000 Ford to come off the Chicago assembly line.

A limited number of replicas of the milestone car will be displayed in Ford dealer showrooms in the 10 county Chicago district through March 4.

Ford Marks 5 Millionth Chicago Car

On Tuesday, February 8th Ford Motor Company marked the production of their five millionth Chicago produced car with a gala celebration at their South Chicago plant.

A special day of activities was planned to commemorate the feat including a pronouncement that February 8th was "Ford Day" in Chicago.

Present at the ceremonies were such dignitaries as Lt. Governor Paul Simon and Chicago's Mayor Richard Daley. In addition, many civic leaders and representatives from local area communities were in attendance. ANTIOCH NEWS Publisher, Joseph T. Rush attended the ceremony accompanied by

representatives of Antioch's Lyons - Ryan Ford: Ed Rouzan, general manager and Kenneth "Tork" Torkelson, Used Car Manager.

Replicas of the five millionth car, a Galaxie two-door hardtop painted a special gold glow glamour color and bearing a commemorative emblem will be on display during the month of February at Chicago area dealerships.

Ford began its Chicago production in 1914 at a small facility on South Wabash Street. 1924 saw the opening of the far south side plant at 12600 South Torrence Avenue. Since then 5,000,000 autos have rolled off the assembly lines that the firm's founder, Henry Ford I developed in 1913.

While the growth of the Chicago facility has been remarkable, the overall growth of the Ford Corporation has been something of a chapter in the history of modern day technology.

Starting with one man, an idea and a garage, Ford has skyrocketed into a world-wide organization of diversified industry. The company and its divisions now produce, in addition to automobiles: spacecraft parts, computers, appliances, satellites and a host of other products.

The company's world-wide operation employs more than 400,000 persons with an annual payroll of nearly three billion dollars.

Illinois. The certificate to the instructors reads, "He has demonstrated sterling leadership in the field of life underwriter education and has exhibited sincere dedication to the Council

WITT RECEIVES LIFE UNDERWRITER LUTC TRAINING DEGREE

The Lake County Underwriters' monthly meeting will be held Friday noon, February 18th, at the Holiday Inn in Gurnee, Illinois. The February meeting will honor the recent graduates of the LUTC Training Program conducted by the local life underwriters.

The LUTC Program stands for the Life Underwriter Training Council. This is an independent, nationwide life insurance training organization with headquarters in Washington, D.C. and which was founded in 1947. This year the LUTC Council is celebrating its 25th silver anniversary.

The purpose of the council is to contribute to the constant improvement of the quality of life underwriting by engaging in educational and training activities for the field

underwriting. LUTC Training is carried on by the local Lake County Life Underwriters as another obligation to the local life underwriter in enhancing his professional abilities.

Chairman of the Life Underwriter Training of Lake County Life Underwriters is John M. Muether, C.L.U. of Metropolitan Life, Waukegan. Mr. Muether will not only be presenting the recent graduates with their certificates of completion of the course but will also honor two of the instructors in the program with Certificates of Merit for their outstanding leadership in conducting the LUTC classes. Those instructors receiving their diplomas are James M. Jessup, Unit Manager Metropolitan Life, Highland Park, Illinois and Rocco G. Rinaldi of Prudential, Waukegan.

Obituaries

MRS. MARY RUZICKA, 52 years old of Lake Shore La Woodlands Subdivision near Antioch, Illinois passed away Tuesday at a Milwaukee Hospital. She was born September 2, 1919 in Chicago, Illinois and had moved to Evanston, Indiana in 1948, to Glen Ellyn, Illinois in 1958, and to Antioch in 1964. She holds membership in St. Scholastica Catholic church at Bristol, Wisconsin. She married Charles R. Ruzicka on April 3, 1964 in Glen Ellyn, Illinois.

Survivors are her husband Charles R. Ruzicka, one son Donald Scott (Yonkers, New York), three daughters Mrs. Barbara (Elmer) Barnes (Schaumburg, Ill.), Mrs. Mary Helen (Gary) North (Harvard, Ill.), Miss Carol Ann Scott (Antioch), her parents Charles and Helen Hajovich (Antioch), two sisters Mrs. Ann (Ted) Szafran (Franklin Park, Ill.), Mrs. Irene (Gene) Reed (Palos Heights, Ill.), and two grandchildren.

Funeral mass will be held at 10:00 a.m. Thursday, February 11th at St. Scholastica Catholic Church near Bristol, Wisconsin. Interment will be in St. Michaels Catholic Cemetery at Wheaton, Illinois. Friends may call after 3:00 p.m. Wednesday at the Strang Funeral Home in Antioch. Parish prayers will be held at 8:00 p.m. Wednesday at the funeral home.

ROBERT C BREEST, JR., 24 years old of 2111 East Woodlane Drive, Lindenhurst passed away suddenly Thursday, February 10 at 8:30 P.M. from injuries received in an automobile accident at Hwy. 83 south of Hwy. 132 at Lake Villa, Illinois. Mr. Breest was born October 18, 1947 at Racine Wisconsin. He graduated from Antioch Community High School in 1966 and has been employed at Quaker Industries in Antioch for the past two years. Mr. Breest was a machinist by occupation. He was a member of Prince of Peace Catholic Church of Lake Villa, Illinois.

Survivors are his parents Robert C. and Yvette Breest with whom he made his home; three brothers, Paul Scott, David and Kevin Breest all at home. Two Sisters: Susan and Jane Breest both at home. His Paternal Grandmother Mrs. Charles Breest (New York City, N. Y.)

Funeral Mass will be said Monday at 10:00 a.m. at Prince of Peace Church, Lake Villa, Illinois.

Interment will be in Mt. Carmel Cemetery, Antioch. Friends may call at the Strang Funeral Home, 1055 Main Street, Antioch from 6:30 p.m. until 10:00 p.m. Sunday. Friends desiring may make contributions to the Antioch Community High School Scholarship Fund in Mr. Breest's Name in Lieu of flowers.

Christian Science Churches

Man's right to express intelligence and other Godlike qualities will be emphasized at Christian Science services Sunday in a Bible Lesson-Sermon entitled "Mind."

"Let this mind be in you, which was also in Christ Jesus, a passage to be read from Philipians states. It concludes: "For it is God which worketh in you both to will and to do of his good pleasure."

This citation is in the commentary from Science and Health with Key to the Scriptures by Mary Baker Eddy: "Having no other gods, turning to no other but the one perfect Mind to guide him, man is the likeness of God, pure and eternal, having that Mind which was also in Christ."

All are welcome to attend services at First Church of Christ Scientist, Beacon Hill, Route 173 and Harden, Antioch, Illinois. They begin at 11 a.m.

WALTER W. BLOCK, Sr., age 67, a resident of 4808 Oak Lane, Zion, Illinois and President of Quaker Industries, Antioch, Illinois died at Victory Memorial Hospital in Waukegan following a long illness.

He was born in Arbor Vida, Wisconsin on November 26, 1904, the son of the late Mr. & Mrs. Frederick Block. He received his education in Wausau, Wisconsin and came to Kenosha in 1919 to make his home. On May 28, 1927 he married Miss Hattie Stein. They moved to Zion six years ago. In 1935 he formed Quaker Industries, Inc. and has served as President since that time.

Mr. Block was a member of the First Assembly of God church in Kenosha and served as Elder of the church. He was a Regent (emeritus) of Oral Roberts University; Director of the Full Gospel Business Men's Fellowship, Int'l. and a life member of the Gideons, Int'l.

He is survived by his wife, two sons and three daughters; Walter Block, Jr. of Zion; William M. Block of Kenosha; Mrs. Robert (Beverly) Soldberg of Spring Valley, New York; Mrs. Jim (Joyce) Young, Kenosha and Mrs. Kenneth (Roselyn) Norfleet of Waukegan; eighteen grandchildren, two brothers and three sisters, Fred Block, Jr. of Kenosha, Frank Block and Mrs. Louis (Clara) Stierle both of Sheboygan; Mrs. Elsie Krahn

and Mrs. Erna Canfield of Kenosha. He was preceded in death by a daughter Mrs. Don (JoAn) Reid on September 30, 1969; a granddaughter, Terry Lynn Block on February 28, 1958; two sisters, Mrs. Martha Theiller and Mrs. Ann Stanich and a son-in-law, Rev. Gene Huff.

Mr. Block will lie-in-state at the First Assembly of God Church Wednesday morning. Funeral services will be held at 1:30 P.M. on Wednesday at the Church. Interment will be in Sunset Ridge Memorial Park.

LENTEN SERIES AT PADDOCK LAKE LUTHERAN CHURCH

"The Christ Who Cares," a series of Wednesday evening worship services during Lent, begins at Christ Lutheran Church, Paddock Lake, on Ash Wednesday, February 16, at 7:30 p.m. Using filmstrips and a variety of other worship aids, the services will attempt to relate life experiences of the Jesus of Nazareth to the lives of people today.

The brief Wednesday

MRS. ANNA M. STENZEL-95 Yrs. Old of Wilmot, Wisconsin passed away on Tuesday February 15th at the Hillcrest Nursing Home in Twin Lakes, Wis. She was born May 18, 1876 in Antioch township, the daughter of the late August and Bertha Hanke. She has resided in Wilmot since 1910. She was a member of the Peace Evangelical Lutheran Church at Wilmot, and the Ladies Aid of that Church. She married William Stenzel on October 26, 1904 in Antioch. She was preceded in death by her husband, William Stenzel, on July 18, 1942 - 1 son, Elmer Stenzel, on May 24, 1948 - 1 daughter Lorraine Stenzel at the age of 7 yrs. - 3 brothers and 2 sisters.

Survivors are 1 son Lawrence A. Stenzel (Wilmot) - 3 grandchildren and 5 great grandchildren. Funeral services will be held at 1:30 p.m. on Thursday at the Peace Evangelical Lutheran Church in Wilmot. Rev. Arthur J. Valerio of that church will officiate. Interment will be in Wilmot Cemetery. Friends may call at the Strang Funeral Home in Antioch after 3:00 p.m.

on Wednesday. Memorials may be given to the Peace Evangelical Lutheran Church.

MR. PAUL G. GOLM - 80 Yrs. old of 233 First St., Silver Lake, Wisconsin passed away on Sunday February 13th at Burlington Memorial Hospital. He was born May 5, 1891 in Baruth, Germany and came to the United States in 1925 to reside in Chicago until moving to Silver Lake in 1956. He was a blacksmith and later worked in research and experimental at International Harvester Company. He holds membership in the International Union of the United Automobile Aerospace and Agricultural Workers of America. He married Elsie Block on April 22, 1918 in Germany.

He is survived by his wife Elsie - 1 brother Fritz golm (Chicago) - 3 sisters & 1 brother in Germany - 2 sister-in-laws Mary & Lena Golm - 1 brother-in-law Paul Block.

Funeral Services were held at 1:30 p.m. on Wednesday at the Strang Funeral Home in Antioch. The Rev. Philip Boleske (Christ Lutheran Church at Paddock Lake, Wis.) officiated. Interment was in Salem Mound Cemetery.

CONCERT SCHEDULED AT EV. FREE CHURCH

F. EIKENBERRY

Mr. Frank Eikenberry, a student at Trinity Evangelical Divinity School, Deerfield, Illinois, will present a concert on Sunday evening, February 20th at The Antioch Evangelical Free Church located at Tiffany Road and Highway Drive, Antioch, Illinois. The concert will begin at 7:00 p.m.

Mr. Eikenberry's resonant bass-baritone voice, warm personality, trombone variety and deep desire to serve Jesus Christ are the ingredients of this talented musicians ministry. His repertoire consists of sacred music including well-known hymns and gospel songs.

The public is invited to attend.

WITT RECEIVES DEGREE Cont. from Page 11

and to his fellow life underwriter, as well as the community he serves."

Scuba Divers Plan Ice Dive

Scuba divers plan an ice dive in the Racine Quarry, on Sunday, February 20, from 10 a.m. to 2 p.m.

This is an official dive of the Illinois Council of Skin and Scuba Divers sponsored by the affiliated Lake County Divers. Lake County Divers' president, Jim Fierabend of Mundelein, appointed Dale Johnson and Mike McCarten also of Mundelein to be divemasters. As an additional necessary function, they will provide coffee. The Lake County Divers' safety officer, Ron March of North Chicago, will be on hand.

The public is invited to watch the divers as they enter the water through the ice and emerge with ice forming on the wet suits. The suits allow the cold water to enter against the body but provide enough insulation to make the dive possible in near freezing

water temperatures.

An ice dive scheduled for January 16 was called off for reason of safety when high winds combined with low temperatures made the surface unbearable. Otherwise, the plate glass clear ice provided divers and onlookers a beautiful setting for a dive.

The Racine Quarry may be reached by driving north on Green Bay Road to County MM and continuing north on MM to the end of that road. Turn right and the Racine Quarry is almost immediately on your right side.

For more information, persons interested in diving may call: Lou Haskins in Zion TR2-7902, Ron March in North Chicago 689-1026, Paul Taulu, in Waukegan 662-1009, Jim Fierabend in Mundelein 566-8322 and Larry Smith in Grayslake BA3-5411.

LENTEN SEASON BEGINS FEB.16

The 40-day Lenten Season will open February 16, Ash Wednesday, and close with Easter Sunday on April 2. Ash Wednesday is a day of fasting and abstinence. In parishes throughout the Archdiocese of Chicago, palms reserved from last year's Palm Sunday will be burned and the ashes distributed to the faithful at Masses in the morning and afternoon.

In a pastoral letter to the clergy and the faithful of Chicago, Cardinal Cody has called for a spiritual renewal through the traditional practices of fast and abstinence, mortification and self-sacrifice.

"The one precious gift that can never be given again is time...how we use

that time is a measure of our humanity. It is likewise a measure of our Christian life," Cardinal Cody said, asking that people give of their time to participate in programs for Christian growth and development.

Ash Wednesday Masses with distribution of ashes following at St. Peter's Catholic Church in Antioch are scheduled for 7:15 a.m. and 8:00 a.m. One afternoon Mass will be celebrated at 3:00 p.m. and one evening Mass will be celebrated at 7:30 p.m.

Throughout the Lenten Season Mass will be celebrated at 7:30 p.m. on Wednesdays and Fridays. Stations of the Cross at 2:30 p.m. on Fridays.

John Miller of the Penguins - 3 goals.

Harlan Hacker of the Blackhawks - 3 goals.

Steve Russ of the Bruins - 2 goals.

Hasting's Hockey Improving

Little more than a month ago the Hastings YMCA of Lake Villa began what they hoped would be a modest program to safely use up some young energy and provide an introduction and playing space for youthful hockey enthusiasts. However, "modest" is no longer an appropriate term.

The response to the program has been overwhelming and termed "tremendous" by Hastings Director Hank Bessler. Bessler explained that so many more boys came out for the iceless phase of the program that another gym had to be added to allow all the boys a chance to play.

The iceless phase of the program is played in tennis shoes in a gym with special safety designed equipment to keep the boys from being injured. Together with the regular ice-hockey program, it comprises the Y's efforts to provide a safe setting for supervised hockey play.

Currently there are 80 boys from grades five and below in the iceless program. The boys were divided into an eight team league which plays its games on Friday evenings at the Oakland School and indoor facilities at the Lake Villa "Y".

"It's not just a group of kids batting a puck around," Bessler explained. "We have three officials for each game to keep the play regulated."

He noted that the teams all have coaches who instruct the boys in the game and make line changes during games to see that everyone gets his turns on the "ice".

The affable director said that while the number of boys is high, so is the "caliber of play." He noted that "these officials really know their hockey."

In addition to the iceless part of the program the outdoor phase of the "Y's" efforts is also going well.

Twenty-five boys in grades six through eight are currently "facing off" on Sundays. The games are played on the rinks of the Lake Villa "Y".

Bessler said that the

caliber of play had increased tremendously since the first week. "We had 10-8 and 7-5 scores all the time in the beginning. After a week or so the scores were down to 4-3 and 3-2, which shows the games are getting better."

Many of the players coaches and referees in the program are from Antioch. George Skopek, Frank Walsh, George Camphouse and Jim Glenn are acting as coaches to help the boys learn the fundamentals of the game.

Taking "guff" from the players are referees from Antioch, Charles Shramek and Leo Bogaerts.

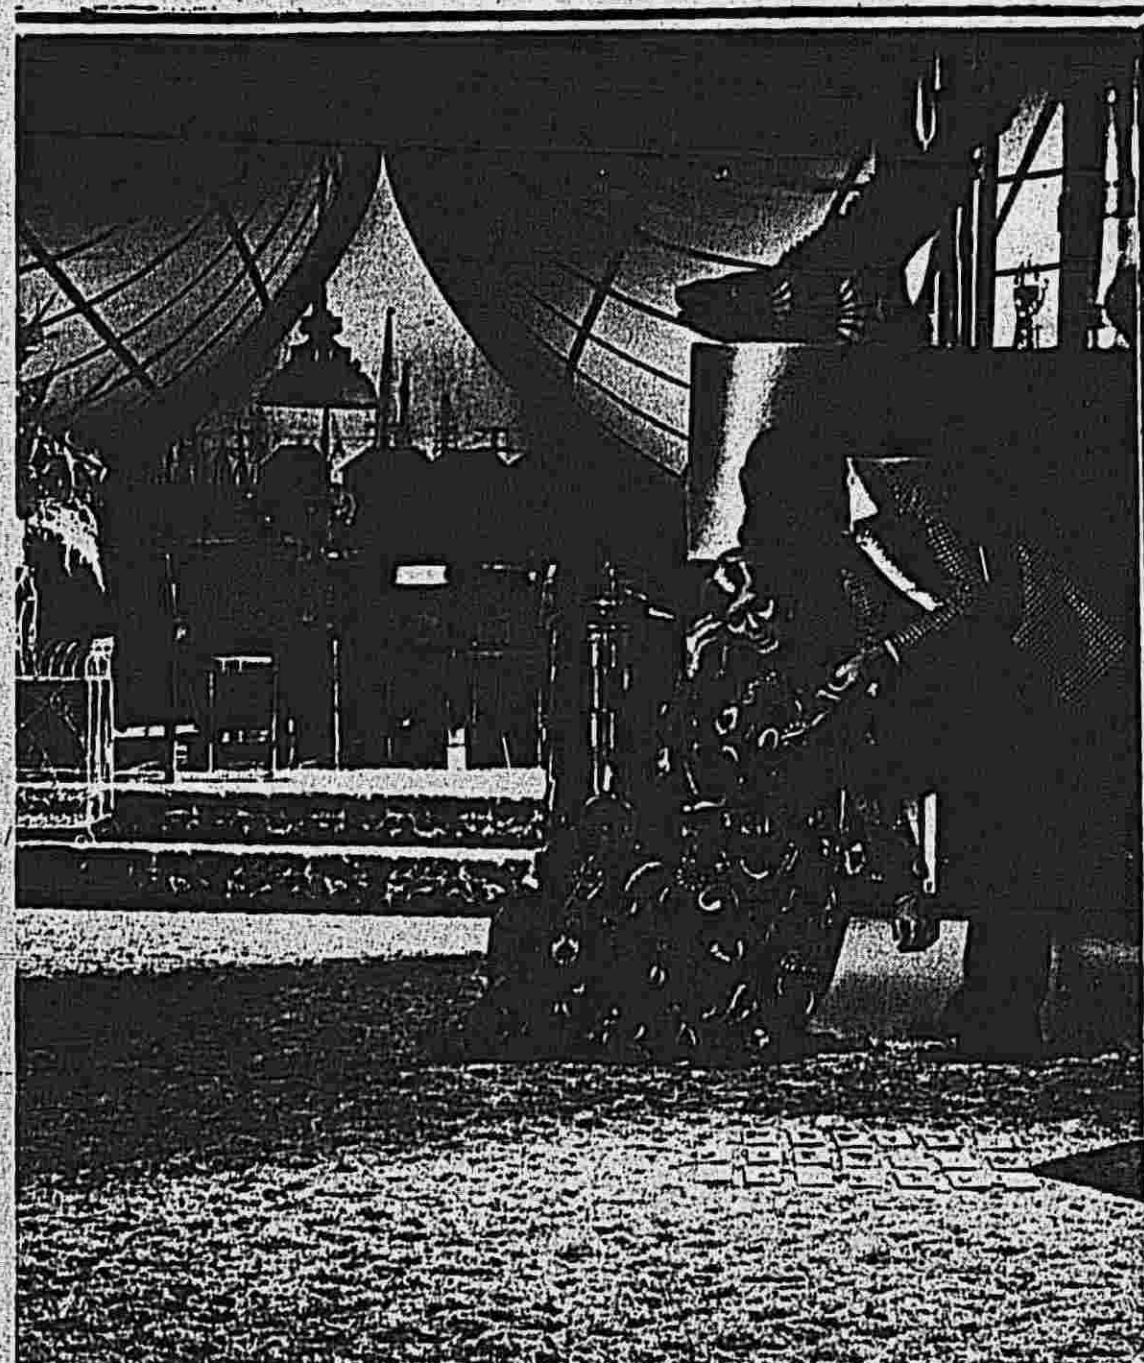

In the ice hockey phase several young men from Antioch are scoring their share of goals. They are Dave Bogaerts, Dave DeBoer, Bob Young, Gary Esslinger, Robert Peige and Rich Coles.

Based on this years turnout the program will undoubtedly need to be enlarged for next year according to Bessler.

Safe Boating No Accident

Boating Safety is for everyone. Safe Boating is No Accident. The United States Coast Guard Boating Safety Detachment wants you in a Boating Safety class. There will be two types of classes. A one day course February 20th at 2:00 P.M. - and a three day course March 5th, 12th and 19th at 2:00 P.M. The courses will cover boating laws and regulations, equipment, rules of the road, boat handling, marlinespike seamanship.

Both courses are given by the United States Coast Guard Auxiliary, Flotilla 6-5 at 17 South Route, 12 in Fox Lake, Illinois, U.S.C.G. Base. If you would like further information call, Dean Koithoff Public Relations Officer (312) 497-3311 or Flotilla Commander Mel Pedersen (312) 497-4115.

Cliff Bode has his Warren opponent Jeff Schilenski in a bind in Saturday action of district semi-finals. Bode won this match 6-1 and placed second. (Staff Photo).

Grapplers Fall in District

Antioch's varsity wrestling season is over, for all but one man. The Sequoits were literally taken apart in the district meet held last Friday and Saturday at Warren.

In fact, four of Antioch's twelve entrants were blitzed in the first round as the Sequoits finished a dismal sixth.

As had been expected, Waukegan and North Chicago were the big guns as they finished 1-2 for the umpteenth straight year.

The only Sequoit wrestler who will continue on to the sectionals is Cliff Bode. The Sophomore, who normally wrestles at 105 pounds, earned the right by placing second in the 98 pound class behind Dave DeRose of Wauconda.

Bode won his first two matches, one by a pin and one by a 6-1 decision. However, he lost to DeRose and in the unique "wrestleback" to decide the second place finisher, beat Dale Johnson of North Chicago 6-3 for the second rung.

Andy Feldman and Tim Staples will miss the sectionals, but did wrestle well enough to merit a third place finish. Both were 3 and 1 in the two day meet.

Russ Damske, who wrestled at heavyweight,

came into the districts unseeded, and unheard of, but won a fourth place spot.

In what was perhaps the biggest upset and disappointment of the matches, Keith Larson of Antioch was pinned in his first contest and will have to wait until next year to make his move.

Hard luck was also a minor factor in the poor showing of the Sequoits. John Meyer was forced to forfeit his matches when he

came down with the flu just prior to the start of the first day's wrestling.

Even though Antioch has only one wrestler who will appear in the sectionals, the chance won't come often to see wrestling of such high caliber.

Cliff will be one of the first to wrestle on Friday, February 18th at New Trier High School.

Starting time for the preliminaries is 7:00 P.M. Should he win, he would advance to the semi-finals and finals at 1:00 and 7:00 P.M. the following day.

SPECIAL FLY-IN ARRANGEMENTS FOR SKIERS AT PLAYBOY

The year-round Playboy Club-Hotel at Lake Geneva, Wisconsin, has fly-in facilities to accommodate the ever-growing number of skiers and conventioners who fly their own planes.

The 4100-foot long, 75-foot-wide lighted airstrip is completely hard-surfaced with taxi-ways, and features year-round tie-down and fuel facilities. Pilots and their guests need wait only a few minutes in the delightful terminal building before being transported to the Main Lodge or nearby ski

area. It is not unusual to see as many as 30 to 40 private aircraft on the airstrip on a ski weekend.

The air terminal can be reached by using the 218 degree radial off the Burlington, Wisconsin VOR (114.5 MKZ), which is six miles from Burlington. The airstrip operates from 7:30 A.M. to 7:30 P.M. The airport is operated for Playboy by Lake Geneva Airways, which also has scheduled flights into the resort. The landing fee is \$3.00.

Frosh Wrestlers Complete Season

The Antioch Freshmen wrestlers completed a 14-1-1 season by almost entirely re-writing the freshmen record book. Listed below are the names of the people who now hold the freshmen records.

RECORD	OLD RECORD	NEW RECORD
Total points	Bill Beese -(63)	Rich Coari -(88)
Most wins	Bill Beese -(13-1)	Rich Coari -(15-0)
Most wins undefeated	John Meyer (12-0)	Rich Coari (15-0)
Take downs	John Meyer (15)	David Kisner (20)
Reversals	George Marotta (12)	Scott Shaffer (14)
Escapes	Andy Feldman (10)	Eale Eastman (15)
Predicaments	Randy Lipman (9)	Same
Near-falls	Randy Lipman (8)	Joe Riedlinger (12)
Pins	John Meyer (11)	Joe Riedlinger (12)
Fastest pin	Al Westman (:23)	Tom Kost (:20)

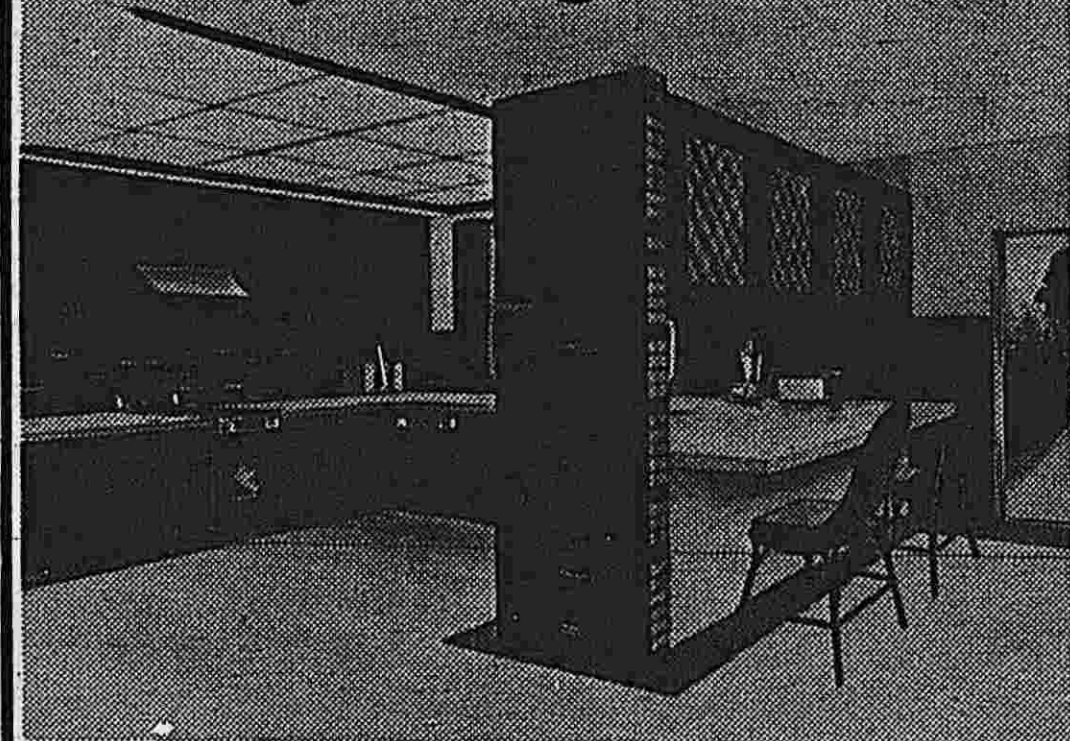

The team members have voted the following honors to their fellow team-mates.

Most valuable - Jim January; Most Improved - Steve Olsen; Team Captain - Joe Riedlinger.

Dale Eastman, Jim Edwards, Ed Haras, Jeff Harceg, Mike Harland, Bill Hogan, Jim January, Ken Johnston, Mike Jones, David Kisner, Tom Kost, Terry Lear, John Mehlhorn, Jim Morgan, Steve Olsen, Brian Parpan, Joe Riedlinger, Ralph Sander, David Severson, Jerry Shaffer, Steve Stahmer, Dennis Thain, Troy Tollison, Mike Weber, Scott Williams, Wendell Burris, Mgr, and Larry Kitterman, Manager.

The following have successfully completed the 1971-72 season in Freshmen Wrestling at Antioch Community High School: Glen Bednar, Mike Bell, Dennis Burnett, Rich Coari,

Emmons Romps Past Millburn & Newport

The Emmons Raiders' championship express rolled on with two victories in each the "A" & "B" divisions. Finding little opposition, the Raiders enjoyed the rest before meeting its contenders for the Big Six crown.

At Millburn the Emmons "B" team romped to a 37-4 win. The Raiders were led by Bill Dubek with 8 points and Chris Hall with 7. All but one of the Raiders joined in the point parade.

In the "A" contest Jeff Eder led the Emmons charge with 20 rebounds and 10 points. John Christiansen tossed in 9 points while Jon Bodin hit for 7 and Bob Dubek, Paul Petty and Dave

Lagerstrom added 6.

With Newport visiting the Raiders, the "B" team took early command with a 22-5 lead. With the bench working the second half, the Raiders hung on for a 30-23 victory. Chris Applehan led all scorers with 12 points. Terry O'Brien with 8 and Dubek with 6 led the way for Emmons.

In the "A" contest, Emmons started slow. At the half however, the Raider lead had expanded from 13-11 to 41-18. Bodin showed the way with 18 points, while Eder and Dennis Varney tossed in 10. Ed Witt and Jerry Hass reached double figures for Newport with 10 each.

Sophomores Clip Scouts

Apparently, there is still plenty of basketball left in Antioch's sophomores, as they demonstrated by a 54-52 come-from-behind victory over Lake Forest.

Antioch's second year cagers started out extremely slow sinking two of only five shots in the first quarter and committing 10 turnovers. Given this advantage the Scouts controlled the ball and had bolted to a quick 16-6 lead at the buzzer.

However, a change in strategy and a little encouragement from Coach Norm Hahn during the intermission righted the ship as Antioch dominated the remainder of the contest, outpointing the visitors in each of the last three quarters.

Coach Norm Hahn was understandably proud of his team's comeback. He cited

Larry Smith and Rick Sedar for playing "probably their best game to date." Smith led all scorers with 19 points and Sedar chipped in 10.

Smith and Vic McGuire each pulled down 10 rebounds as Antioch outrebounded the Scouts 40-26. Sedar also proved tough under the boards as he grabbed nine. Mike Gutowski played "heads up ball" as he picked up 6 loose balls and led the team with 6 assists.

Coach Hahn summed up the game very simply. "This is the type of ball we should have played all year. I still think this is the best team in the conference."

The sophomores will face Grayslake next. They precede the varsity at 6:45 p.m. on the Ram's home court.

885 Club Holds 3rd Annual Ice Derby

Charles Rayman, chairman of the 3rd Annual Ice Derby sponsored by Antioch's 885 Civic Club, announced the days program

and schedule of special events.

Starting at 6 a.m. Sunday February 20th on the south end of Lake Catherine, one mile west of Antioch on Route 173, frost-bite fishermen will tempt the various fishes unto their demise, so they may hopefully qualify for one or more of the over one hundred prizes that will be awarded to lucky anglers who land the largest of each of ten species of fish eligible to win prizes every hour on the hour, the first prizes being given at 9 a.m.

Included in the prize categories are northern pike; Walleye pike; perch; bass; bluegill; sunfish; crappie; striped; catfish and bullhead.

At days end, the largest of each of the above species will win a prize, as will the one largest of the day.

Special events begin at 9:30 a.m. with the Men's Hole making Event with Auger, followed by the Ladies Auger Contest at 10:00 a.m.

10:30 a.m. - Men's Chisel Hole Making Contest.

11:00 a.m. - Children's Fishing Contest Ages 6 to 12

11:30 a.m. - Ladies Fishing Contest (above two contests in holes made in Hole making contests)

12:00 p.m. - Girls and Boys Sack Race - Ages 8 to 12

12:30 p.m. - Ladies Sack Race

1:00 p.m. - Men's Sack Race

1:30 p.m. - Boys and Girls Skating Contest

2:00 p.m. - Boys Ice Skating Race

2:30 p.m. - Girls Ice Skating Race

3:00 p.m. - Penny For Children - Over 500 pennies in the straw on the ice.

3:30 p.m. - Kite Flying Contest

4:00 p.m. - Derby Closes - Distribution of Prizes - Derbies end.

Hot refreshments will be served up in the shelter on the ice and in Felter Club House on shore, all day long, starting at sun-up.

Ample free supervised parking will be available at places marked along Route 173.

Everyone is welcome, including watchers, kibitzers, participants and fishers.

Sequoit and Scout players look to the referee for a ruling as Pat Michalak attempts save in game last Friday. (Staff Photo)

SEQUOITS MAUL L. F 79 - 66

Victory rejoined the Sequoits Friday, as did poise and desire, when they put the missing pieces together to fashion an impressive 79-66 win over Lake Forest.

Missing Pieces

The missing pieces are not all that tough to recognize. Tim Mieure looked his high scoring self as he hit on half of his 16 shots from the field and set a one game Antioch record by canning 20 consecutive free throws to total 36 points. The record for consecutive free throws is 25, held by Bob Kubicki in the 1962-63 season over a three game period.

With Mieure back reassuming the ball handling chores, the Sequoits looked a much improved team, based on recent performance. They appeared much quicker on offence, played a more heads-up game and came closer to resembling the group that appeared a shoe-in for the conference title after the first round.

Mieure not 100%

While Mieure did a

fantastic job: scoring points and returning to his position of floor general, Coach Roger Andrews said "He's still not 100%." Small comfort to the next two Sequoit opponents: Grayslake and Wauconda. "Tim is worth 30-35 points a game to us," Andrews said. "And not just scoring. He moves the ball, gets assists and is the steadying influence."

But Mieure couldn't have done it alone. It was a very creditable team effort. "We moved much better on offense. The boys did a fantastic job of adjusting to the different types of defenses Lake Forest threw at us," according to Andrews. Lake Forest used a combination of full and half court zone and man-on-man-presses.

Spurt Does it

The two teams played on fairly even terms during the game. The only exception, and the game clincher, was a three and a half minute spurt at the beginning of the second half. Antioch put the game out of reach as they outscored Lake Forest 15-2 during this stretch.

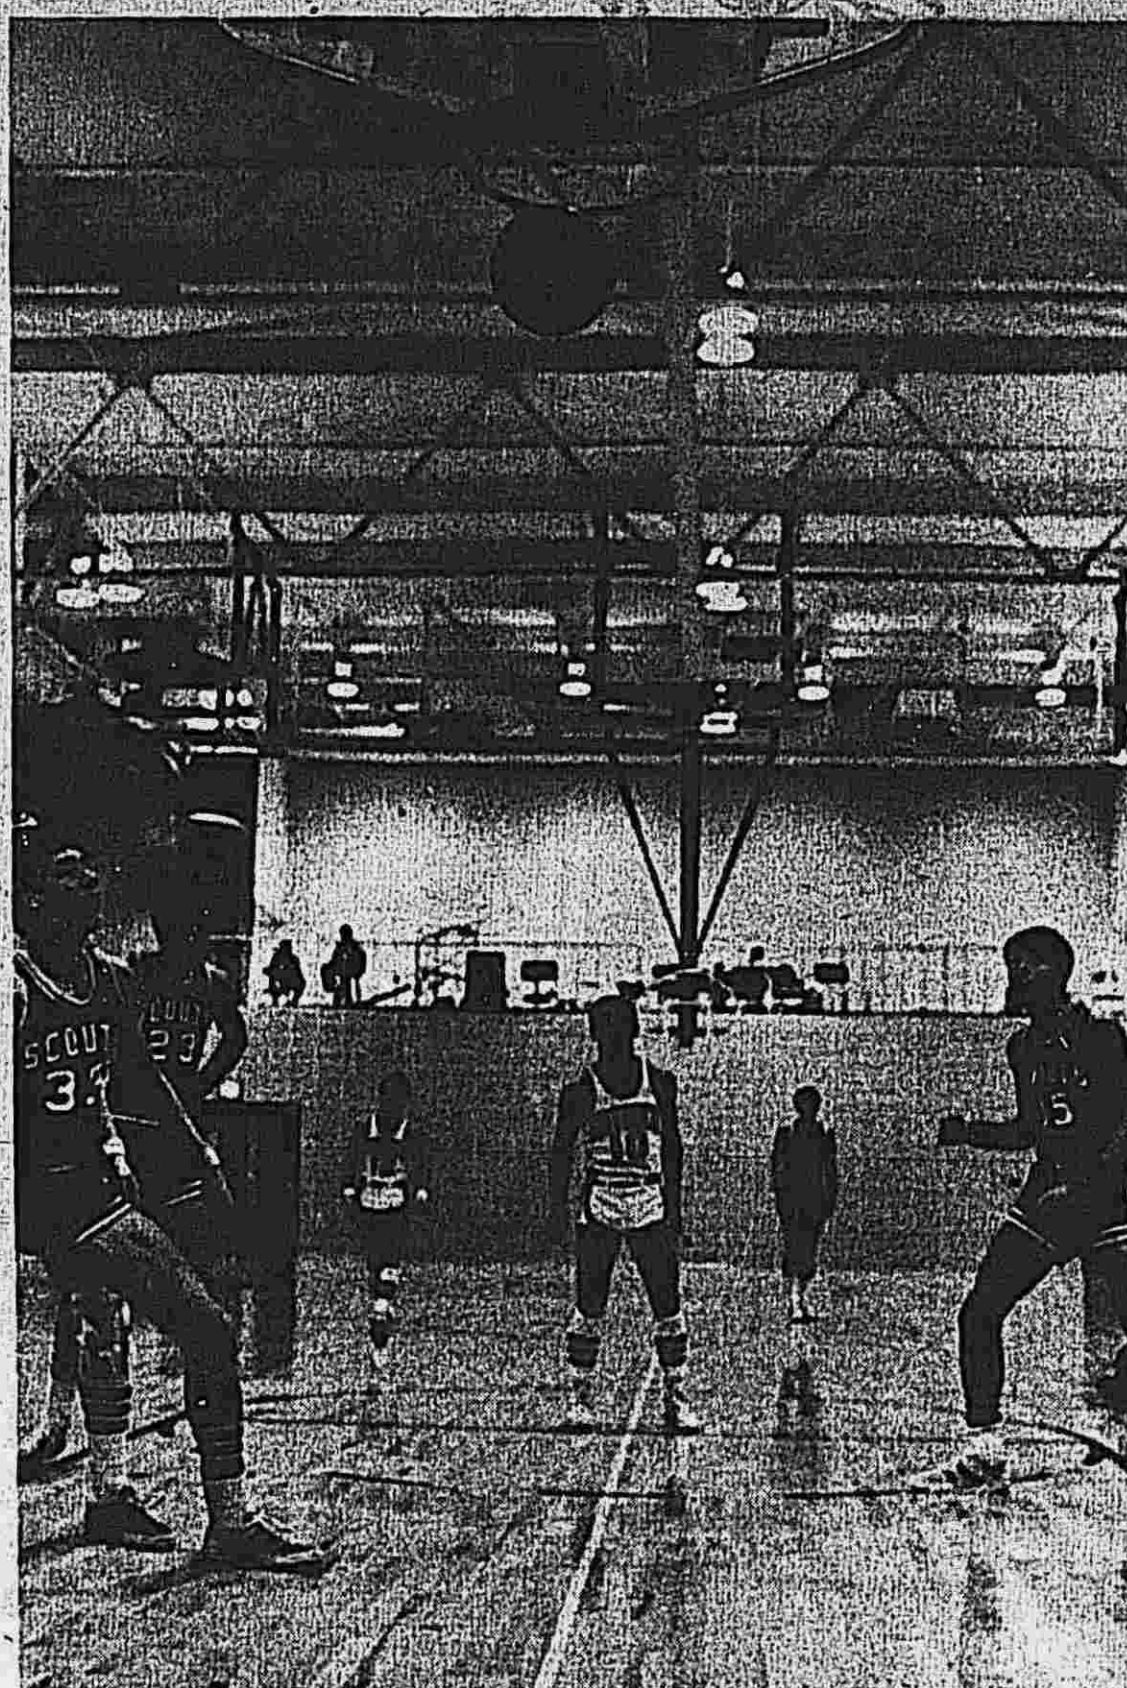

Antioch and Lake Forest traded baskets for the remainder of the game, with the final score reflecting the 13 point bulge the Sequoits garnered in the 3rd quarter.

Antioch had four men in double figures for the game. In addition to Mieure, Pat Michalak bagged 15, Jeff Williams 14 and Ken Tell, who replaced Williams when the latter got into second half foul trouble, totaled 10.

Mark Andrews, in something of a slump, took only four shots from the field and finished with 3 points. Shayne Schroeder's free throw rounded out the scoring.

82% from the line

Speaking of free throws, Mieure wasn't the only

Lake Forest players show a variety of reactions to free throw by Tim Mieure. Mieure set a new one game school record by canning twenty in a row.

Sequoit canning from the charity stripe. Antioch shot an incredible 82% at the line, outpointing Lake Forest 37-10.

The 79 points Antioch scored marked the first time in many moons the Sequoits managed to crack the 70 point plateau. They did it last in a losing effort against Zion-Benton on January 8th.

Antioch now is tied for second just a single game back of Grant who split their last two games.

Rams next victim?

Grayslake is next on the docket for the rejuvenated Sequoits. They will square off on Friday at Grayslake.
